PREFACE.

One of the objects of The Holland Society of New York is defined by the Constitution to be to "collect and preserve information respecting the early history and settlement of the city and State of New York by the Dutch, and to discover, collect, and preserve all still existing documents, etc., relating to their genealogy and history."

In carrying out this object, the Society has sought to secure copies of all Dutch church records of the country antedating this century, and now has in its possession transcripts of nearly all such records now existing. Several years ago the Society published as its first volumes of collections the records of the Reformed Dutch churches of Hackensack and Schraalenburgh, New Jersey—including the registers of members, marriages, baptisms, and the consistories to the beginning of the nineteenth century. These volumes have proven to be of great assistance to many who were seeking to trace their lines of descent.

The present volume consists of all the records extant belonging to the church at New Paltz. This church was established in 1683 as a Huguenot church, and for some years the records were kept in the French language. The records from 1702 to 1730 are missing. Possibly no records for this period were kept at New Paltz, and the marriages and the baptisms may have been registered at Kingston. From 1730 until 1799 the records, with a few exceptions, were kept in Dutch, but in the latter year the Dutch was supplanted by the English language.

The translating and copying were done by Mr. D. Versteeg, who has done similar work for the Society in nearly all the church records now in possession of the Society. Mr. B. Fernow, of Albany, has also made a translation of these New Paltz church records, which is now in possession of the New York Genealogical and Biographical Society, and through the courtesy of that Society a comparison of these two transcripts has been made to promote accuracy.

THE NEW PALTZ CHURCH RECORDS

THE NEW PALTZ CHURCH RECORDS.

Volume I. of the records of the New Paltz Reformed Church is a small memorandum book of seventeen pages only, written in French with the exception of two items which are in Dutch. The record begins with an account of the organization of the church, January 22, 1683, and then follows the record of baptisms. Intermingled with these are a few items of records of marriages, membership, burials etc., which it has been deemed best to insert just as they appear in the original, rather than transfer them to the different appropriate records. The last continuous entry in this first volume is under date of February 21, 1702, after which there comes a gap extending to July 6, 1718, when the baptism of two children is recorded in Dutch. With these ends the first volume of the records. The second volume, as we have it, begins August 10, 1729, and it is evident that the book containing the records for the intervening years from 1702 to 1729, has been lost.

We have given a translation of the brief account of the organization of the church, and have followed it with an account of the history as it appears from the calls to the several *Domines*, the building of two or three church edifices, and such accounts as are found in the books of records. These items were scattered promiscuously through the volumes and have been collated and inserted as nearly as could be in chronological order.

The minutes of the Consistory are then given and the records of members, marriages, and baptisms.

THE ORGANIZATION OF THE CHURCH.

"1683, January 22. Mr. Pierre Daillie, Minister of the Word of God, arrived at New Paltz, preached twice on the

March 15, 1762. The Congregation of New Paltz met together and elected by a majority of votes as overseers and builders of a new church building here, for the Congregation of New Paltz, and whom the Congregation promised to provide with the necessaries the following persons, viz :

(It appears that the plan was not carried out at that time.)

We the undersigned constituting the Consistory of the Reformed Church of Jesus Christ at New Paltz and Schawankong unanimously appoint our Pastor and Instructor J. M. Goetchius and Jonas Freres our fellow brother, Elder, to appear in our name at the Ecclesiastical Assembly which is to be held at New York in order to treat in the fear of God concerning the well-being of God's church in this country, all in accordance with the Word of God and the Constitution of God's church in these regions, and to oppose everything not conforming to the same, all for the glory and upbuilding of God's church.

Thus given in our Consistory meeting held at New Paltz this 3d day of June, 1764.

1764, September 9. Acknowledge having then received of the Reverend Consistory of the Congregation at New Paltz the amount of twenty pounds, being full payment of my half year's salary now due. Say received by me

(Signed) JOH. MAURITIUS GOETCHIUS,
V. D. M.

On this 19th day of July at the house of Simon Duboy we held a meeting of the Consistory after having called upon God's name, and discussed the following point :

It was asked whether a member of the congregation at Schawankong may be admitted to the Lord's table here, without a written certificate ?

The resolution and opinion of the Consistory in regard to this question is, that they do not see why they should require a certificate of the brethren of the Consistory of Schawankong for any God-fearing member of the congregation who might be desirous here to receive the Lord's Supper. This Consistory only resolves that such a person shall previously at the right time and place make known his desire either to the preacher or to the Consistory.

(From Book No. 4.)

Extracts from the minutes at the founding of the Second Church at New Paltz :

“ On August 29, 1767, came together at the house of Henricus DuBoys, Domine Izaak Rysdyk with his Consistory and five members of the Reformed Nether Dutch Church who have heretofore belonged to the congregation of Kingston, viz. : Josia Eltinge, Noach Eltinge, Petrus Van Wagena, Jacob DuBoys, and Dirk D. Wynkoop, who, with some other members of the said Nether Dutch Church, have built a church here for the purpose of observing their most holy religion, and had requested Domine Isaac Rysdyk, Instructor at Pochkeepsie and Fishkill, as neighboring preacher, to be present at the organization and consecration of a Christian Reformed Nether Dutch congregation. (He) had been specially and in writing charged and authorized by his Consistory [to be present].” (See a translation of the whole on page 7.)

At the same time was read the following letter, in Dutch :

“ We undersigned Consistory of Kingston having been requested by the after named members of our Church, living at the Paltz, and who have built a new church there, for the purpose of exercising by themselves all the rites of our Nether Dutch Reformed Church in the same, to legally dismiss them and to provide them with letters, have, after mature deliberation of the said request, been neither at liberty nor willing to refuse it, but hereby dismiss from among us the said members, viz. : Josia Eltinge, Noach Eltinge, Petrus Van Wagenen, Jacob Du Boys, Rebecka Van Wagenen, Dirk D. Wynkoop, Magdalena Du Boys, Jacomyntje Eltinge, and Sara Louw, under condition that from among the aforesaid members, within two months time, either by Domine Rysdyk or some other neighboring preacher belonging to the Classis of Amsterdam a Consistory shall be elected and thus a Nether Dutch Reformed congregation be formed, acknowledging the jurisdiction of the Reverend Classis of Amsterdam. Thus enacted by the Consistory of the Church of Kingston, August 3d, 1767.

(Below was written) :

In the name and by the authority of the Reverend Consistory of Kingston,

(Signed) { HEND. SLEIGHT.
 { ABRAHAM LOW.”

It was resolved to elect from among the said five members a Consistory of one Elder and one Deacon, and there were sub-

sequently unanimously elected, as Elder Noach Eltinge and as Deacon Petrus Van Wagenen.

At the same time were admitted and acknowledged as members of this congregation :

Petrus Low.	Debora Van Vliet.
Henricus Du Boys.	Jannetye Hooghteyling.
Salomon Low.	Izaak Low.

Here follows the history of the founding of the Second Church at New Paltz.

On August 29 [1767] met together at the house of Henricus DuBois, Do. Izaak Rysdyk with his Consistory and five members of the Reformed Nether Dutch Church who previously belonged to the congregation of Kingston, viz. Josia Eltinge, Noach Eltinge, Petrus Van Wagena, Jacob DuBoys, Dirk D. Wynkoop who besides some other members of the said Nether Dutch Church have here built a church for the purpose of exercising their most holy religion and had requested as neighboring preacher Do. Isaac Rysdyk, Instructor at Poughkeepsie and Fishkill to assist at the organization and consecration of a Christian Reformed Nether Dutch congregation, and who had been specially and in writing authorised for the purpose by his Consistory.

After calling upon God's holy name for a blessing upon this important undertaking the aforesaid members, besides the others, communicated to Do. Rysdyk, upon his request, the reasons why they had here erected a church by themselves, and why, by leaving the congregation of Kingston and of the New Paltz, though the latter is situated close by here, they are desirous of founding a congregation by themselves ; viz :

First, because the congregation of the New Paltz and its preacher, Do. Mauritius Goetschius have separated from the orderly subordination to the Reverend Classis of Amsterdam under which the Nether Dutch Reformed congregations in this province have belonged from olden times and still ought to belong, and because all those preachers and congregations who call themselves Coetus, by the resolution of the Synod of 1765 and in accordance with the last letter of the Reverend Classis to the so-called Coetus, dated June 3, 1765, have been considered by the Reverend Synod of North Holland and by the Reverend Classis of Amsterdam as preachers and congregations which cannot be recognised as lawful, because they separated from the authority of the Reverend Classis, and

wanted to organise here, in opposition to the ordinances of the Church an independent Classis, for which the said Classis declares to have neither might nor right, as is apparent from the following extracts of the Synodal Resolutions of 1763, as follows page 14, *Post quedam alia* :

I. "That those calling themselves Coetus, thus have become guilty of despicable ingratitude against their benefactors, who have so long labored for their well-being and have exerted so many efforts in behalf of the churches of New York, and that, acting in this manner and persevering in their actions, they give just cause to the Classis of Amsterdam and to the Synod of North Holland to break with them entirely and to stop all intercourse with them etc., etc."

In this aforesaid minute of the Synod can also be found the important reasons for this resolution, as well of the committee of investigation of the petition of the Coetus, as of the Classis of Amsterdam, pp. 8 and 9. See the Extract of the Minutes of the Synod held at Edam from July 26 till August 4, 1763, printed at New York by John Holt, 1765.

II. Of what the Reverend Classis writes in the letter to the so-called Coetus on the aforementioned date, where among the other matters it says :

"You say that you hope that the Classis will seize this opportunity, as being the last time that you will make the request.

"From the contents of this [letter] it appears that the classis, according to your opinion has not yielded, nor can do so.

"We therefore reply that whereas it is plain that you want to secede from us, we therefore in after times shall consider you as a body of preachers who have seceded from us, and consequently we are not in a condition from now on to treat you as such Brethren with whom we can live in amicable intercourse, as the nature of our union with you requires."

And in the end of the letter :

"Further, brethren, we commend you to God and his mercy who is mighty to build you up, and considering your decision as final, we shall, from now on, have no further communications with you." (See the said classical letter printed at New York by John Holt, 1765.)

For which and other reasons they cannot recognise the said preacher and congregation as lawful, because, since the arrival of the last named letter they persevered and are still persevering in their decision—so much the less because the above

named persons consider the afore mentioned subordination as lawful, beneficial and necessary for the maintenance of the pure doctrine and discipline of our Reformed Nether Dutch Church, for the exercise whereof we have perfect liberty by virtue of the eighth article of the capitulation of 1664, ratified in the treaty of peace of 1667.

Whereby yet come the revilings and insults by the said Do. Goetschius and some of the so-called Coetus hurled at the Classis and Synod of Holland.

Secondly, the five members of the congregation of Kingston declared that they are living too far away from the church of Kingston to dutifully and stately attend divine worship there, either for themselves, or to properly educate their children, according to their solemn promise at the holy baptism, in the pure doctrine of the truth, and to lead them to the communion of a Reformed (and to the Reverend Classis of Amsterdam subordinated) congregation. They, therefore, can neither be edified here, nor find a proper opportunity therein and for observing their precious religious duties.

Mr. Dirk D. Wynkoop gave for himself the following reasons : having, last spring, changed his place of residence from Kingston to this place, and now also living at too great a distance from the said church to observe his religious duties there, he therefore wanted to join this new congregation.

That they together for the above mentioned reasons had, in the fear of the Lord, undertaken the building of a church here which, being now almost completed, they requested might be solemnly dedicated by Do. Rysdyk as neighboring preacher. They consequently surrendered to Do. Isaac Rysdyk their letter of dismissal from the congregation of Kingston which having been read was approved, reading as follows :

[This letter appears on page 6.]

Do. Rysdyk and his Consistory having heard the afore mentioned reasons, and read the letter of dismissal, certified the same to be legal and reasonable ; wherefore they also fully approved of the building of the church with good wishes for God's much needed blessing in the founding, increase and upbuilding of this church and congregation.

Copy of the Church certificate of Do. Joh. Mauritius Goetschius :

We the undersigned constituting the Consistory of the Reformed Church of Jesus Christ in the High and Nether Dutch language at Schoharey, attest and certify by the present that

the Rev. Joh. Mauritius Goetschius has been for two years and a half our stated Pastor and Instructor, and has also during this time, faithfully, diligently and assiduously inculcated, according to the word of God our salutary and pure doctrines and articles of faith, at the same time illustrating and confirming them through a pious conversation and life. For these reasons we recommend him everywhere as a pious instructor, wishing him all hail and blessing.

Thus given at Schoharey in our Consistory meeting on this 6th day of August, 1760.

Copy of letter of call to Domine Goetschius :

In the fear of God's holy name, amen.

Whereas the preaching of God's holy Word is the means ordained by him to lead men living upon this earth to salvation, therefore we the undersigned Elders and Deacons at present constituting the Consistories of the united Nether Dutch Reformed Churches at Shawangonk and New Paltz in the county of Ulster, province of New York, having learned about the gifts of the Rev. Johannes Mauritius Goetschius, preacher at Schoharey, and being satisfied with the same, and feel like calling "Come over and help us," have met together in the fear of the Lord for the purpose of extending this call, and after calling upon God's Holy Name we unanimously resolved to call the aforementioned Joh. Mauritius Goetschius, as we are by the present calling him, as our stated Overseer, Pastor and Instructor, to administer the holy office in our aforesaid congregations in conformity with God's Holy Word, and the Reformed doctrine and the discipline, adopted by the Christian Synod held at Dordregt, anno 1618 & 1619.

And we thus call his Reverence upon the following conditions :

1. That his Reverence through God's guidance and good government may come over to us and faithfully administer the holy offices in all portions as befits an orthodox Instructor and Pastor of the Reformed Church of Jesus Christ, publicly call upon the Name of God, preach the Word of God in its purity, administer the holy Sacraments according to the institution of Christ, and instruct the youth once a week in the congregation where his Reverence shall preach on the catechism, earnestly admonish, exercise the church discipline and in every respect

as much as possible have a good supervision over the Church of Jesus Christ.

2. That his Reverence when in health and the weather permitting, shall, from Easter fill the commencement of October, preach twice on every Lord's day in the Church of Shawankong and the succeeding Lord's day at New Paltz ; in the forenoon from some free text out of God's holy Word, in the afternoon from a topic in the Heidelberg catechism ; the remainder of the year, from the beginning of October till Easter, one sermon on each Lord's day will be sufficient, Shawankong and Pals each to have an equal share of the services.

3. That his Reverence shall conduct services on the Holy days as is customary in the Reformed Dutch Church, each place to receive an equal share.

4. That his Reverence, God willing, shall administer the Lord's holy supper four times per year; twice per year at Shawankong and twice at New Paltz, by turns, as Domine and his Consistory shall decide.

5. That his Reverence before administering each Supper, shall preach a preparatory sermon at the place where he is to administer the same, and to do the house visiting once per year in each congregation.

Upon these afore-named conditions we, the Consistories of the aforesaid congregations of Shawankong and New Paltz in our quality of elders and deacons for us and our successors who shall from time to time hold office after us, promise in all sincerity as long as his Reverence shall be our Pastor and Overseer the following salary or sum of money of eighty pounds current money of the province of New York to be paid annually and every year, each congregation its just half, and whether the salary of £80 shall be paid out in a single payment, or £40 each half year, we shall agree about with your Reverence when coming over to us.

Each Elder and Deacon before being installed in their office shall sign this letter of call, while your salary shall commence as soon as your Reverence shall come among us.

We shall provide your Reverence with a decent house, barn, garden, and ninety acres of land besides a good spring near the house, the same to be provided in and by the congregation of Shawankong, near the church where your Reverence will live, as long as your Reverence shall be with or among us as our Overseer, Pastor, and Instructor.

His Reverence while conducting the services at New Paltz

shall be provided by the New Paltz congregation with quarters, board and bed.

His Reverence is to find his own fire wood as there is enough of it on the land where he will live.

These promises we, the undersigned Elders and Deacons and our successors, shall pay in the fear of the Lord annually and every year the amount of £80, New York money. [Literal translation of this clause.]

We, then, the Consistories of the aforesaid congregations dedicate this call to and deliver it into the hands of the aforesaid Joh. Mauritius Goetschius, desiring and praying that he may accept the same in the fear of the Lord and come over to us with a rich blessing of the Gospel as a member of the Reverend Coetus.

And to show that this our action is sincere and well-intentioned we affix our signatures on this 18th of January in the year of our Lord 1760.

Ds. Rynier Van Nest's call [to the Second church of New Paltz].

In the Name and Fear of the Most High Triune God, Amen.

Whereas the preaching of God's Holy Writ in its purity is the God-ordained means to lead men from misery to eternal salvation ;

Therefore, we the undersigned Elders and Deacons at present constituting the Reverend Consistory of the two united Nether Dutch Reformed Congregations of Jesus Christ at Shawengonk, and the Second Church at New Paltz in the County of Ulster and Province of New York, having with much pleasure, heard the laudable gifts of the pious Mr. Rynier Van Nest, Jr., S.S.M.Cand. to whom the inclination and desire of the aforesaid Congregations are calling "Come over, and help us," having met together in the fear of the Lord for the purpose of seriously considering the matter of a call, have unanimously resolved after calling upon God's Name to call, and consequently call by these presents, the aforesaid Mr. Rynier Van Nest, Jr., for our stated Pastor and Instructor, to faithfully administer the holy office among us, in accordance with God's holy Word and the accepted doctrine and discipline of the Nether Dutch Reformed Church adopted in and by the National Synod held at Dordrecht, A.D., 1618 and 1619.

And we extend our call to his Reverence on the following conditions :

1. That his Reverence as soon as possible shall submit to a peremptory examination by the Very Reverend General Assembly of the Nether Dutch Reformed Church of New York

and New Jersey to be set apart to the holy office with the laying on of hands according to apostolic Reformed usage, and to be confirmed before our congregations.

2. That his Reverence thus having come to us through God's government shall observe all parts of the holy office as befits an orthodox Overseer, Pastor and Instructor of the Reformed Church of Jesus Christ; publicly call upon the God of heaven, preach the word of God in its purity; administer the sacraments of salvation (heyl-Sacramenten) according to the institution by Christ; [a word left out in the original] the keys of heaven diligently and prudently besides, and with the Consistory, visit the sick, and in every way as much as possible exercise a good supervision over the church of Jesus Christ.

3. His Reverence shall, God willing, from Easter to the beginning of October, preach twice on every Lord's day in one of the aforementioned congregations, in the forenoon from some text out of God's holy Word, in the afternoon according to the topics contained in the Heidelberg Catechism; during the remainder of the year one sermon shall be sufficient. After the sermon his Reverence shall, in the place where it is his turn to preach, teach the youth and others who need it through catechetical exercises. Further catechetical instruction shall be given on such a day during the week as shall be approved of by his Reverence and the Reverend Consistory. The congregation of the Second Church at New Paltz is to enjoy every fourth turn of preaching, the remainder of the time the preaching service shall take place in the congregation of Shawengonk; on the holydays there will be services according to Reformed usage.

4. His Reverence shall twice per year administer the Lord's Holy Supper in each of the aforementioned congregations, at such a time as shall be approved of by his Reverence and the Reverend Consistory, and God willing, once a year the house visiting shall take place in both congregations.

Upon these conditions we the Reverend Consistories of the two aforesaid congregations in our quality of Elders and Deacons promise for us and our successors who shall from time to time come in after us, as long as his Reverence shall be our stated Pastor and Instructor, the following:

1. We promise to provide his Reverence from the congregation of Shawengonk with a good and commodious dwelling, barn, cistern, garden and ninety acres of land situated close to the church in the congregation of Shawengonk, and the Reverend Consistory of the Second Church at New Paltz

promises his Reverence decent lodgings and board at the time when the turn to preach there shall come.

2. We promise to pay his Reverence annually and each year by itself the amount of eighty pounds New York current money. By the congregation of Shawengonk the amount of sixty pounds and by the congregation of the Second Church at New Paltz the amount of twenty pounds, so that each congregation shall be responsible for its own share, to be paid annually in two payments, *i. e.* the twenty pounds of the Congregation of the Second Church at New Paltz in the spring and the sixty pounds of the church at Shawengonk in the fall, which salary shall commence from the day when his Reverence shall deliver his first sermon in one of the aforesaid congregations, after having accepted this call.

3. We promise to allow six Sundays in the year to his Reverence to be spent as his Reverence may please, up to the time that the said congregations shall feel able to increase the salary to the amount of one hundred pounds, when the Reverend Consistories expect that his Reverence shall spend the six aforesaid Sundays among the two calling congregations.

4. We promise that every newly elected Elder and Deacon shall sign this call, or an authentic copy of the same, before being installed in their respective offices.

We, therefore, dedicate this call to his Reverence and deliver it up into the hands of the aforesaid Mr. Rynier Van Nest, hoping that his Reverence may accept the same in the fear of the Lord, with a cordial prayer that the good God, the governor of the World, the appointer of his Ministers, may be pleased to send him to us with a rich blessing of the Gospel.

That we are sincere and well-meaning in this our Act we certify by our own signatures on this 26th day of April, Anno Domini 1774.

(Translated from Book No. 3.)

Stephanus Goetchius, son of J. H., born October 25, 1752, having undergone his preparatory examination October, 1775, has accepted the call of the New Paltz in the fear of God, on November 1, 1775.

The call reads as follows :

Whereas, the whole world on account of sin has become condemned before God, and it has pleased God in His infinite mercy to reveal a road to salvation, and to lead the poor sinner to believe in Him through the truth of preaching ;

Therefore, we, the undersigned Elders and Deacons constituting the Consistories of the two united congregations of Jesus Christ at New Paltz and New Hurly, in the County of Ulster and province of New York, having heard with great pleasure the laudable gifts of the Reverend and pious Mr. Stephanus Goetschius, at present licentiate and living just now at Schralenburg, and whom it is the unanimous wish and desire of our congregations to call "Come over and help us," having met in the fear of the Lord for the purpose of conscientiously considering the matter of a call, unanimously resolved, after calling upon God's name, to call the aforesaid Mr. Stephanus Goetschius as our stated Pastor and Instructor, to faithfully administer among us the holy office, in accordance with God's Holy Word, and the formulas of unity and discipline established in the Nether Dutch Reformed Church at and by the National Synod, held at Dordrecht, A.D. 1618 and 1619, as by the present we immediately call his Reverence (Zyn E.) upon the following conditions, viz. :

First. His Reverence shall assiduously and faithfully observe all parts of the holy religion as it befits an orthodox Overseer, Pastor and Instructor of the Church of Jesus Christ ; publicly call upon the God of heaven ; preach the Word of God in its purity ; administer the holy sacraments in accordance with the institution of Christ ; impart necessary instruc-

tion in the catechism to the youth, on each day where it shall be his Reverence's turn to preach ; therebesides his Reverence shall, as often as possible, catechise during week days in both congregations, and thus, in every way, as much as possible, shall exercise due supervision over the church of Jesus Christ.

Second. His Reverence, when in good health and with the will of God, from Easter till the end of September shall preach twice per day on each Lord's day in one of the aforementioned places ; in the forenoon upon some text from the Word of God, in the afternoon according to the topics suggested by the Heidelberg Catechism ; the remaining time preaching once on every preaching day shall suffice, with the proviso that his Reverence is required by the present to preach only once on every Lord's day or other preaching days during the first year of his Reverence's ministry as aforementioned.

New Paltz shall receive twice as much service as New Hurley, so that New Hurley shall only receive one third portion of the service, which service shall be performed by turns in the congregations in such a manner that not on three successive Sundays services shall take place in one congregation. On the holy days services shall be held according to Reformed custom.

Third. His Reverence shall administer the Lord's holy Supper twice per year in each of the two aforesaid congregations, and shall do the house visiting once per year in both congregations.

Upon these conditions we, the Consistories of the above-named congregations, in our quality of elders and deacons, promise for ourselves and our successors, who from time to time shall come in after us, as long as his Reverence shall be our regular Overseer, Pastor and Instructor, the following, viz.:

Firstly. We promise to provide his Reverence with a good dwelling fit for a preacher with kitchen, barn, cistern, garden and sixty acres of land ; the house, barn, and larger portion of the land being situated near the church in the congregation of New Paltz. His Reverence will also be provided with fit lodgings and refreshments at New Hurley by the said congregation at the time of his turn to preach there.

Secondly. We promise to give his Reverence six Sundays in the year to do with as he pleases, from the share of the congregation at New Paltz, to be spent where his Reverence shall deem it necessary. This the Consistory of New Paltz alone promises.

Thirdly. We promise to pay your Reverence annually and all years the amount of ninety pounds of money current in

New York, viz., the congregation of New Paltz the amount of fifty-six pounds ten shillings, and the congregation of New Hurley the amount of thirty-three pounds ten shillings, so that each congregation is responsible for its share, to be paid annually in two installments, *i. e.*, one of the said congregations to pay in the spring, the other in the fall, and the whole of this salary shall commence from the day that he shall deliver his introductory sermon in the abovenamed congregations.

We, therefore, dedicate this call to his Reverence and deliver the same into the hands of the said Mr. Stephanus Goetchius, wishing that his Reverence may accept the same in the fear of the Lord, with the heartfelt prayer that the good God, the governor of the world, the appointer of his servants, may be pleased to send him to us with a rich blessing of the Gospel.

That this is our sincere and cordial opinion we confirm by affixing our seals and own signatures this 24th day of September, 1775.

Addition to, or Revision of, his Reverence's letter of call made on September 1, 1784.

In the name of the Triune God, Amen.

Whereas the whole world is condemned before God, and it has nevertheless pleased Him in His infinite mercy through the preaching of the Gospel of Jesus Christ to urge the sinner to believe and to lead him to salvation.

Therefore, we Elders and Deacons constituting the Consis-

tory of the Collegiate Reformed congregations of Jesus Christ at New Paltz and New Hurley in Ulster County and State of New York, well knowing the laudable gifts of our present Pastor and Instructor, Stephanus Goetschius, fearing his Reverence's departure and the sad consequences of a pastorless condition, being met together and having considered the matter in the fear of the Lord, join our voices to those of the congregation, and call out to him :

" Remain with us, and help us."

And in order to show this to be our sincere opinion we promise in our quality of consistories of the aforesaid congregations, for us and our successors, to pay his Reverence annually and each year besides the amount stipulated in his Reverence's letter of call the amount of twenty-four Pounds New York current money, viz., from the Congregation at New Paltz sixteen pounds, and from the Congregation of New Hurley eight pounds.

Upon the following conditions :

1. In case his Reverence, having been called by Meniscenc, shall remain with us, and observe the church services in every part as is required in the office of a faithful Pastor and Instructor, as has been stipulated in the call.

2. Nor shall the Consistory be responsible after the date of these presents for the losses in his Reverence's call through death or his removal up to the present time.

[The above is very obscure in the original ; it may mean that death or removal of those who subscribed towards the salary may affect the minister's salary.]

3. The aforementioned amount shall be payable on November 1, 1785, and so in every year besides the money mentioned in the call.

4. The money shall be collected by the aforementioned Consistories, and the persons having subscribed corn shall be notified to annually deliver the same at his Reverence's house.

That this is our sincere intention we certify through our seals and with our signatures this September 1, 1784.

The Reverend Stephen Goetchius removed later on to Marbletown, and the congregations of New Paltz and New Hurley on March 23, 1799, called the Rev. John H. Meier, Cand. Sac. Min. to the pastoral care of said congregations. The call is in English and copied in Book 3 of the original.

The following entries were translated from a book, labelled "Account Book":

In the year of our Lord 1766, the 29th day of August, some Christian inhabitants of the village of New Paltz and the neighborhood thereunto belonging, assembled together and resolved to build a church on the southern extremity of the land of Noach Eltinge, named the Great Piece on the "Hoogtentje" to the West of the Royal road and near the Great Parcel gate (Stuck heck), viz.: A church or house of *Bintwerck** and thirty feet square, the walls to be drawn up with clay and wood and to be covered with boards on the outside, a shingle roof, and with room enough to make a gallery in the same if necessary, and further to finish the whole in a becoming manner. And in order to finish this work we have thought fit to systematically proceed until the work shall be completed.

1. A subscription list shall be drawn up of what every one will give towards the building of this church, whether money or anything else.

2. And after the list shall have been made up, those who have given promises shall select three men for managing this work. They shall have authority to build the aforesaid church as they think fit, according to the aforesaid subscriptions, but in conformity with this order. In case the subscriptions are insufficient they shall send out men for the purpose of getting more for the building of that house or church, and in case they cannot get enough to finish it, the aforesaid three men shall finish it, and each subscriber to the list shall be obliged to pay in proportion to his promise until the church shall be completed.

3. And these aforesaid three men shall choose an overseer for this work and shall from time to time as they see fit give him written instructions about what to do in building the aforesaid church.

This overseer shall be obliged to execute the orders given him by these men in building the aforesaid church, and after having executed the orders he shall, from time to time, send in his accounts to them. And thus they shall give orders, and he shall render account from time to time until the work shall be completed.

* A *bint* is a joint or cross beam.

4. And in case this overseer should happen to die or move away, or not submit correct accounts, the aforesaid men shall select another, and the former overseer shall be obliged to account to the newly appointed overseer, and to surrender all things belonging to the aforesaid church to the newly elected overseer, and this shall be adhered to from time to time, at the appointment of new overseers.

5. These three men shall also have power to make regulations in the church after the same shall be completed, providing always that those regulations are not contrary to the regulations of the Christian Reformed Churches, adopted by the National Synod last held at Dordrecht, in the years 1618 and 1619. And after the work shall have been completed the above named three men shall audit all the overseer's accounts and he shall be obliged to fully account for everything and to surrender to them everything belonging to the aforesaid church, and thereupon they shall discharge him.

6. When they know the total expense, they shall put the total cost equally upon the seats, and shall invite those whose names are on the subscription list to appear on a fixed day and hour in the aforesaid church, and shall then be just to whomsoever they owe places or to their heirs, and shall sell the places at vendue. Those having given much shall be repaid in places and in no other manner, and those having given little shall add thereto in case they buy a seat or seats which cost more than they have subscribed. But no place shall be sold at less than the estimated cost.

7. The aforesaid men shall also be obliged to acknowledge the rights of every person who assisted in building the aforesaid church, and further to faithfully perform the duties in accordance with these instructions and in case it can be proved against them that they are negligent in this respect, they shall be obliged to make reparation with the expense incurred out of their own pockets.

They shall further allot to everyone their place or places in the church in a manner similar to the practice in the Church of Kingston.

The aforesaid men shall further make or buy a book in which the entire instructions shall be entered, and the subscription list shall also be entered therein, and the instructions to the overseer and the overseer's accounts shall also from time to time be entered in the same, and further everything concerning the building of the church and the regulations.

And after the seats shall have been distributed they shall also enter into this book to whom and where they are located.

And after the above named men shall have completed the work they shall elect other churchmasters in accordance with the stipulations in the charter or grant of the Church of Kingston. And after the others shall have been elected the above named men shall be held to render an account to the newly elected churchmasters, and to surrender to them everything belonging to the aforesaid church. And it shall remain for the use of the said church, and thereupon they shall be discharged from their office.

And in order to oblige the above named three men who may be elected, to act in accordance with these instructions, and to execute everything required of them in the same, they shall, after having been elected, subscribe to these instructions.

HENDRICUS DUBOIS,
(Signed) JOSIA ELTINGE,
NOACH ELTINGE.

Be it known to everybody by these presents that we, Hendricus Dubois, Josia Eltinge, and Noach Eltinge, the three elected men in conformity with the previous instructions, elect Philip Dubois as overseer of the said work. And in order to oblige him to act and work according to the aforementioned instructions, in everything as is required of him by the same, he shall sign these presents.

(Signed) PHILIPPUS DUBOIS.

Be it known to everyone by these presents that the promised amounts here below pledged by the subscribers of this list shall be expended in erecting the church building in conformity with the agreement and instructions of some of the inhabitants of the New Paltz and its vicinity.

Dated the 29th day of August in the year of our Lord 1766. And everyone shall put down what he promises opposite his name whether money or anything else.

The following translations were made from Book 5.

In the year of our Lord 1771, October 25th, the Christian Reformed Nether Dutch congregation at New Paltz met, and discussed the fact that their present church is no longer sufficient to hold religious meetings in.

They therefore resolved to build a new church in the village of New Paltz on a piece of ground bought of Petronella Lefever, located on the west side of the street and opposite the north side of Colonel Abraham Hasbrouck's house lot. And the same to be built in the manner as described below :

Primo. The Consistory of our congregation shall visit the members of the congregation to request each in particular to contribute or promise a certain amount, to be paid in such a manner as is here below stipulated, for the building of the aforesaid new church. A list shall be kept of how much and what every one promises whether money or labor or anything else in erecting the said church.

And after the Consistory shall have visited the members, and made up the subscription list, and judges that the subscriptions are sufficient for building the church, four advertisements shall be nailed up in the most public places of our precinct whereby all persons having subscribed towards erecting the aforesaid church shall be requested to appear at a certain day, hour and place for the purpose of electing seven men from among them, and to constitute them a committee in the following manner :

The aforesaid seven men after having been elected on the aforesaid day by a majority of the votes of those who have subscribed for the church, shall have absolute power to dispose of the money, the labor and anything else promised on the above mentioned list, for the purpose of here building the church. They are also empowered, after the church shall have been completed, to make rules and regulations for the same in such a manner that they shall not be contrary to the Christian Reformed Church order. They shall also have power to determine the size of the building, but in such a manner that they shall erect the aforesaid church on the plot of ground in the aforesaid village mentioned above.

And eight days after the seven men shall have been elected and been qualified they shall meet at a certain place and hour in the aforesaid village, and then the aforesaid seven men shall elect one from among themselves as overseer or builder of the church, and also to receive the money and labor promised upon the list, and to dispose of the same for what shall be wanted in building the church in conformity with the instruction of all seven or any four of them. And the person who shall be elected overseer or master builder shall be appointed after the other six shall first have agreed with him about the amount he is willing to do it for, the said amount not to exceed fifteen pounds.

And after this one man shall have been elected and commissioned by the other six he shall make a memorandum book in which the whole of these instructions by the congregation shall be entered, and the seven men also shall sign their names, besides the one man who shall be elected by or from among the seven and further also the time when. (sic)

And the above named subscription list shall also be copied in the book, every one's subscription specially, and after the subscription shall have been paid or discharged the same shall be credited on the side opposite.

But the man who shall have been elected by the other six for the purpose of receiving the money and labor and to be

overseer shall be obliged to deposit a bond with the other six before being allowed to enter upon his functions, and with such security as the other six shall deem proper, viz. of any amount not less than five hundred pounds.

And after the seven men shall have resolved to commence operations they shall meet and discuss about the best methods to be followed and write them down, and thereupon the one man from among the seven who shall have been elected for the purpose shall take the plan and work according to it, and after it shall have been completed all seven shall meet again, and the man who supervised the work according to the plan shall then render his accounts to the other six, containing a report of how and at what expense the work has been performed. And at this same meeting they shall again work out a plan about what is most advisable to be done in erecting the aforesaid church, and the master builder shall again proceed according to it, and thus it shall be done from time to time until the church shall have been completed.

And in case the Director of the work should happen to die or move away, or that his accounts should not be straight, the other six shall be qualified to elect from their number another master or overseer. After the election of this new overseer or master the retiring one shall be obliged according to his bond, either by himself or through his heirs, to deliver to the new overseer or master of the work all the money, and the book, the papers and everything further related to it, and shall also render a correct account of the same to the remaining six, or have to forfeit the aforesaid bond. And the new overseer or master shall also first procure a bond as above explained, and shall have the same power as the former overseer. And this shall take place from time to time as long as it shall be necessary to elect new overseers.

And all the above instructions and plans and accountings and whatever more shall be done by the seven men in building the aforesaid church shall be entered in the above named book.

And in case the promised money or labor or other things should not suffice in building the Church, the aforesaid seven men or any four of them shall be authorised to again visit the members of the congregation for the purpose of receiving money or other necessaries for building the church. And in case this should not yet be sufficient the above named seven men or any four among them shall be authorised to take up as much money as they judge will be necessary for completing the church, wherever they can find it, and in case it cannot be

had in any other manner, to give interest for the same, and thus complete the church. And in order to pay back the borrowed money it shall be distributed over all the seats in the Church, as a rent laid equally upon every place. But the places for Consistory, the minister's place and the common pews shall be exempt from the aforesaid rent. All of those claiming their seat or seats shall be obliged first to pay the said rent to the aforesaid seven men or any four among them before they shall receive their title to the seat.

And before the seven men or any four among them shall distribute the places in the church, they shall figure out how much the church shall have cost or is to cost ; and after having done this they shall take an inventory of the number of seats in the church except, as was said before, the seats reserved for the Consistory, the domine and the poor (gemeene Banken). And when they have learned the cost of the church and also know the number of seats to be distributed in the church, the above said seven men or any four among them shall divide the cost by all seats in the church which are to be distributed, an equal share upon every place. And the calculation or division shall be made in such a manner that the above named amount is exactly covered [by the tax] on the above named seats.

And then they shall invite the congregation to appear on a certain day and hour in the aforesaid church, and in order to render justice to every body and to satisfy those to whom they owe places, (or their heirs), they shall publicly dispose of the places to the highest bidder ; and this shall be subsequently done with all places to be distributed.

And the money, labor or anything else which any body has contributed to the said church shall be regarded as payment for his or her seat or seats in the church, as far as it will reach.

And those having contributed much towards the church will be repaid in seats but in no other manner ; but those having contributed little to the church shall be held to add to it in case they purchased a seat or seats which cost more than the amount of their contribution, provided always that nobody shall buy more seats in the church than he is entitled to for what he paid or did for the church, until all those who took a share in building the church shall have received their seat or seats in exchange.

But in case any money contributed towards building the said church, shall remain unexpended and not be required for building the aforesaid church that same money or anything else not used, shall remain the property of the church.

But no places shall be granted at a less price than has been fixed at the above mentioned calculation. And the aforesaid seven men shall be obliged by these instruction to secure to every person who has contributed towards the cost of this church, an undisputed right and just title for the seats which every one shall receive in the church, "to him and his heirs and assigns forever." And the aforesaid seven men are also obliged, in accordance with these instructions, to do justice without discrimination to every person who has contributed towards building the church, and further to perform their duties in accordance with these instructions. And in case they shall be negligent each one of the aforesaid seven men shall be obliged, if it can be proved against them, to repair the wrong or injustice they have done, and to defray the expense consequent upon it out of their own pocket to every one having assisted in building the church and who shall have suffered in consequence of said neglect.

And in order to bind the seven men they shall upon their election, sign these instructions. And after the church shall be completed they shall show to everybody his or her seat or seats in return for the money or the work that has been given or done, but in such a manner that it be not contrary to the regulations of the neighboring Christian Reformed Churches.

And after the places shall have been conveyed it shall also be entered in the above named book to whom and even where the place or places are located. And after the above named work shall have been completed by the above named seven men, other church masters shall be elected at the same time that there shall be an election of members of the Consistory in conformity with the rules of neighboring churches.

And thereupon the above named seven men shall render account of all they have done in building the aforesaid church, and in case any money shall have remained they shall hand it over to the new church masters and it is to be used to the benefit of the church ; and also the above named book, and whatever else they have to deliver they shall deliver to the new churchmasters, and thus they shall be discharged from their office.

And according to the aforesaid order and the above conditions we have chosen and authorised the aforesaid Abraham Doiau to be Overseer and Director of the work, and to receive the money and the labor, and to employ the same in the building of the church, according to the aforesaid regulations.

Translated from a loose piece of paper :

NEW PALTZ, NOV. 1, 1782.

Whereas reading and singing during religious service are not only beautiful (een zierraedt) but also in accordance with the word of God and the canons of the church, therefore the Reverend Consistory, after Mr. Coddington for sufficient reasons had resigned, have unanimously elected Mr. Simeon Low, and contracted with him for the amount of £3 annually. For which reason, in order to satisfy the aforesaid person, we earnestly request the congregation to assist us, and to subscribe in order to annually pay him, as long as he shall faithfully perform his service. The surplus shall be carefully saved until the needs of the church shall require it.

INDEX.

There was some question as to the best mode of preparing this index, inasmuch as there are so many variations in spelling the cognomens as well as the baptismal names in these records. The dominies, voorlezers, or whoever acted as scribe, appear to have exercised their own judgment as to orthography, and frequently varied it without apparent reason. For example, the name of Ann Westluck is found on page 139, on page 146 it is Wesley, on page 152 it is Wesly, on page 162 it appears as Weslyk, on page 170 it is written Weslye, on page 179 it is Westleake, and on page 185 it was put down as Westlake. Yet all of these several names belong to the same person. If all the names were indexed separately just as they appear in the records with the original spelling, it is evident that the work of tracing family lineages by the unskilled searcher would be greatly increased. It was concluded, therefore, that it would facilitate reference by embracing under one heading all names evidently belonging to one family, and indexing them, as far as practicable, under that form which is now in most common use.

Appended will be found a list of some of the most numerous variations in the surnames that appear in these records :
